Elizabeth Hennessy of William Blair

- The Meeting was called to order at 10:05 a.m.
- Allen introduced Elizabeth Hennessy of William Blair. Elizabeth presented refinancing options which the group discussed. She will provide an update at a September meeting.
- Allen presented a history of the Life Safety Code stating that each building is inspected every ten years. The district will receive a list of Life Safety improvements which need to be completed.

He went on to discuss updating the schools in order to enhance learning through collaboration and technology. He explained that due to both cost and the logistics involved, one building at a time would be renovated.

- Carol reported that she is working with the City on a shared service project for paving Deer Path and Sheridan lots.
- Allen presented an overview of the Tax Levy.
- The meeting was adjourned at 12:35.
