A Joint Policy Committee Meeting was held on May 9, to review a number of "PRESS Policy Updates." These policy updates are either recommended by IASB or required by statute. In all cases, the Policy Committee agreed with the Administration's recommendation, and the policies will be voted on at the next scheduled Board meetings. In most cases, the Administration recommended accepting the PRESS updates, however Section 5:180, which deals with Temporary Illnesses will be re-written by the administration. The proposed change to this policy might affect some of our union employees; everyone agreed that the Administration should discuss the proposed change with the union leadership prior to the Board considering implementation.

The meeting adjourned at 11 a.m.
